Тренировать экзаменационные задачи по теме  0 из 56

БИЛЕТ № 1

1 да.
3 нет.

Подсказка

Дорожный знак 1.1.1. «Справный поворот» является предписывающим знаком и информирует водителя о наличии закругления дороги малого радиуса, где ограничен видимость встречного движения. Сигнал поворота водитель обязан подавать в случае начала движения поворота либо разворота, перед перестроением и остановкой транспортного средства (п. 51 ПДД РФ). В данном случае вам не нужно подавать сигнал поворота, а следует проявить внимание для безопасного проезда опасного участка дороги.

Следующий вопрос

ПРОГРАММА АВТОШКОЛЫ  ПДД

0 из 56
1 Общие положения, Обязанности водителей, пешеходов и пассажиров
0 из 231
2 Дорожные знаки
0 из 33
3 Порядок движения, Остановка и стоянка
0 из 14
4 Регулирование дорожного движения
0 из 60
5 Провод перекрестков
0 из 6
6 Проверка знаний

Теоретический курс ПДД мы разделили на 11 тем, учитывая требования официальной «Примерной программы подготовки водителей транспортных средств категории «В», которой пользуются все российские автошколы. Эти темы включают все официальные тексты Правил дорожного движения в том порядке, в котором они изучаются в автошколах.

Кроме того, в приложении вы найдете подробные комментарии и поясняющие иллюстрации к ПДД. В конце каждой из тем мы также предлагаем попрактиковаться в решении тематических экзаменационных задач, которые помогут закрепить полученные знания.

К официальному изложению ПДД (без каких-либо сторонних пояснений, иллюстраций и т. д.), вы можете обратиться, нажав на надпись в правом верхнем углу экрана главного меню.

Удачи вам в экзамене!

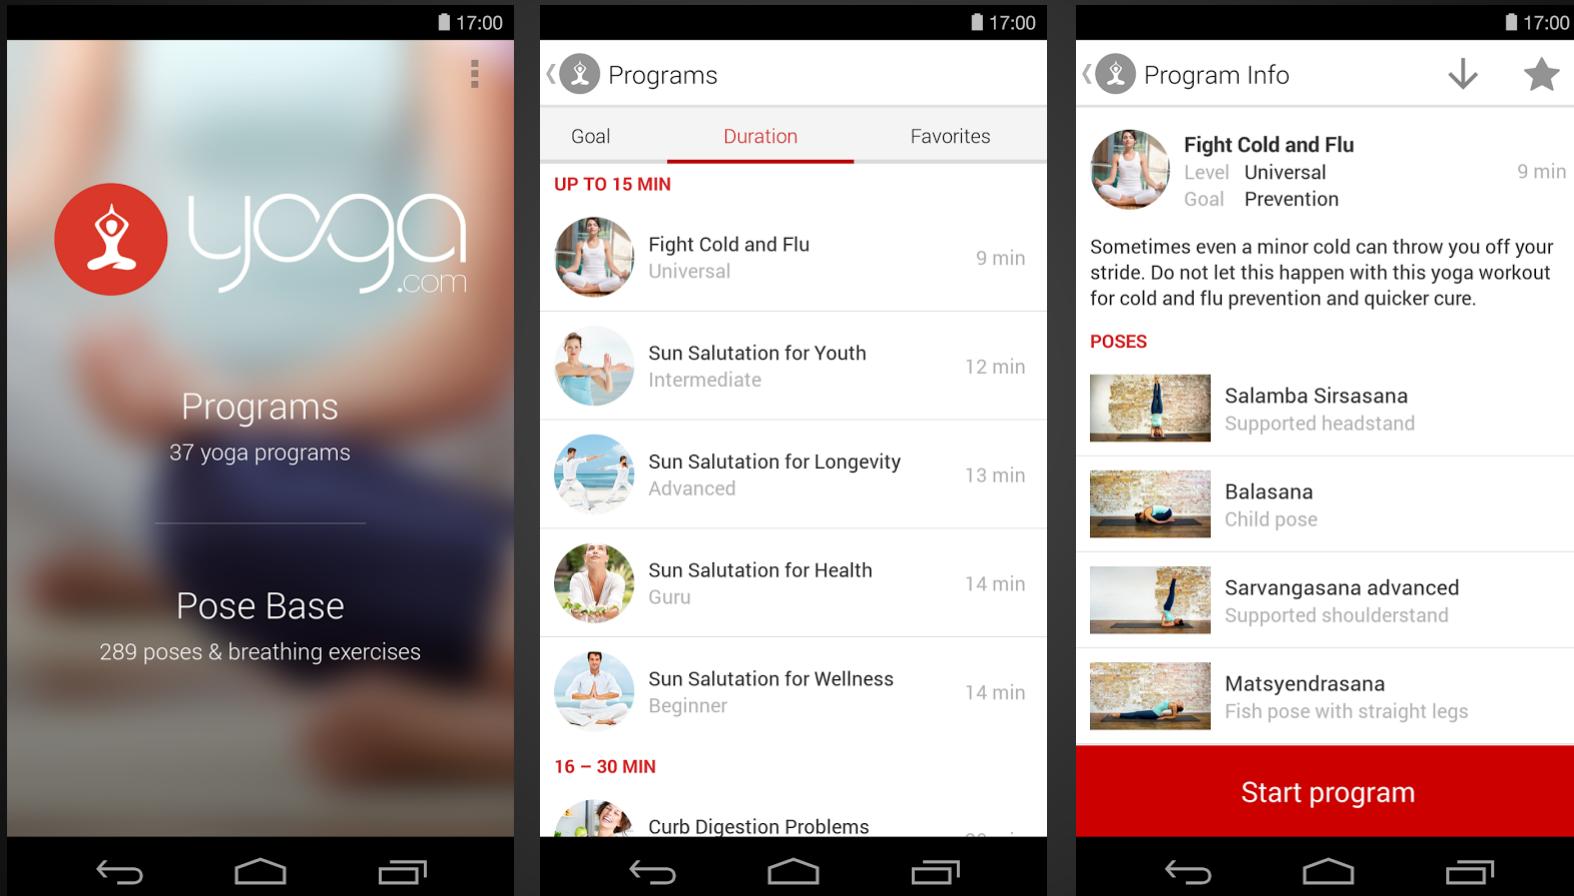

Used technologies: CoreData, CoreGraphics

MyCreditCard

iPhone application

Single development (company)

Application for providing and management credit card data.

The image displays four screenshots of the MyCreditCard iPhone application, arranged horizontally. Each screenshot shows a different screen of the app's user interface.

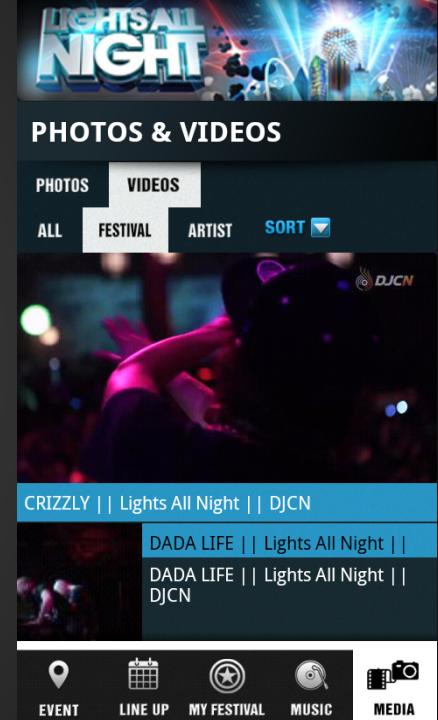

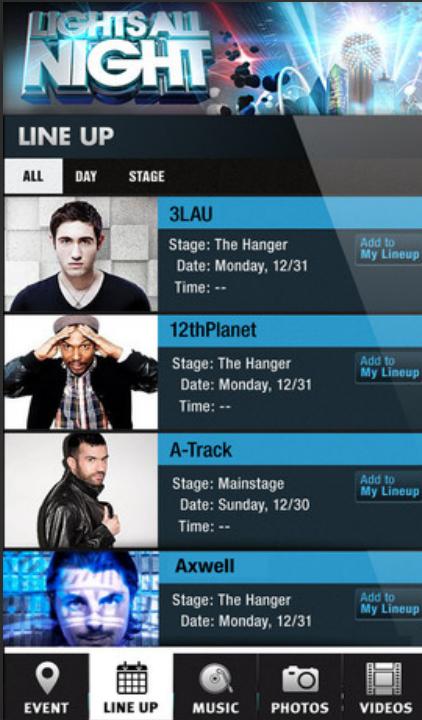

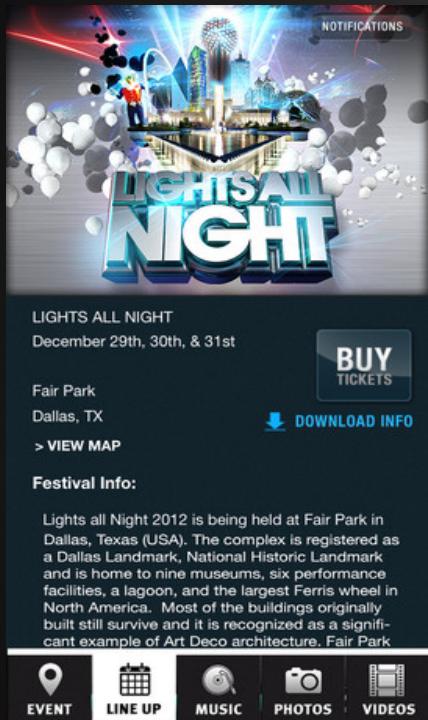

- Screenshot 1 (Home Screen):** Features a header "My CreditCard Adviser" with a stack of cards icon. Below it is a section titled "Now You Can Better Manage Your Credit Cards and Save Big" with a pencil icon. A large blue button says "Complete Your App Registration". Below that is a "Member Log In" button with a key icon. At the bottom is a "Play our Welcome Video" button with a video camera icon, showing a woman's face. Another "Contact Customer Support" button with a person wearing a headset icon is also present.
- Screenshot 2 (Control Center):** Header "My CreditCard Adviser" with a stack of cards icon. A "Back" button is on the left. A "Control Center" section contains five buttons: "Manage Credit Cards" (credit card icon), "Find Out How Much Money You Can Save" (coins icon), "Get Your money Saving Monthly Payment Advice" (piggy bank icon), "Your Credit Card Analysis" (two people icon), and "View Credit Card Contact Info" (phone receiver icon). At the bottom are three buttons: "Home", "Help", and "MyCreditCardAdviser Welcome Video".
- Screenshot 3 (Your Credit Card Analysis):** Header "My CreditCard Adviser" with a stack of cards icon. A "Back" button is on the left. A "Your Credit Card Analysis" section lists four points:
 1. You owe a lot of money to the credit card companies
 2. The interest effective interest rate that you are paying is very high (22%)
 3. You are very close to maxing out your credit cards
 4. You are needlessly paying \$3,500 per year in interest charges alone.Text continues: "MyCreditCardAdviser can save you a lot of money find." Below this are two buttons: "Find Out How Much Money MyCreditCardAdviser Can Save You" and "Upgrade to MyCreditCardAdviser Premium and Start Saving Money Today". A "Credit Card Statistics" section shows "Number of credit Cards" and "0".
- Screenshot 4 (Share with your Friends):** Header "My CreditCard Adviser" with a stack of cards icon. A "Back" button is on the left. A "Share with your Friends" section contains three buttons: "Email My Phone Contacts" (envelope icon), "My Facebook Friends" (Facebook icon), and "Tweet My Twitter Followers" (Twitter icon). At the bottom are three buttons: "Home", "Help", and "MyCreditCardAdviser Welcome Video".

Enterprise application. Not for publishing.

Used technologies: MessageUI framework, CoreVideo, QuartzCore, CFNetwork, Twitter, Facebook, XML type of service data.
